Michael Granillo	2nd Quarter		Week Beginning: November 13th
School Year: 2023-24		Subject: Algebra 1	

Monday	Notes:	Objective: Students will learn how to simplify radical expressions by the decomposition of the radicand. Lesson Overview: 8.5 - Simplifying Radical Expressions	Academic Standards: N.RN.2
Tuesday	Notes:	Objective: Students will apply what they have learned about simplifying expressions to add, subtract, and multiply radicals Lesson Overview: 8.6 - Operations with Radical Expressions	Academic Standards: N.RN.2
Wednesday	Notes:	Objective: Students will build on their knowledge of solving equations by solving radical equations. Lesson Overview: 8.7 - Solving Radical Equations	Academic Standards: A.SSE.2 N.RN.2
Thursday	Notes:	Objective: Students will compile the topics from chapter 8 in order to prepare for the test. Lesson Overview: Chapter 8 Review	Academic All the above
Friday	Notes:	Objective: Students will demonstrate mastery of the topics of Chapter 8. Lesson Overview: Chapter 8 Test	Academic Standards:
