

Name: Reeck		Grading Quarter: 2	Week Beginning: October 21st
School Year: 2024-2025		Subject: Geometry Honors	
Monday	Notes:	Objective: Students will understand the Geometry of parallel lines when used in conjunction with a transversal.	Academic Standards: G.CO.9, G.CO.12
	Mandala	Bellwork: On your paper, draw two parallel lines. Now draw a line that intersects both of the parallel lines (this is called a transversal). Make three observations about your drawing. Vocab: Deficiency Deplete Dexterity Static Strenuous Assignment: 3.7 (1-41)	
Tuesday	Notes:	Objective: Students will further their understanding of proofs by learning the process of proving that lines are parallel.	Academic Standards: G.CO.9, G.CO.12
	Mandala	Lesson Overview: 3-9, Using angle relationships to prove that lines are parallel Bellwork: See if you can construct two parallel lines. Hint: it has to do with angles. Review 3-7 Homework: 3-9 (1-18)	

Wednesday	Notes: Mandala	<p>Objective: Students will use perpendicular lines to determine the distances of objects.</p> <p>Lesson Overview: Using perpendicular lines, slopes of perpendicular lines, solving systems</p> <p>Bell work: Slope, Point-slope, solving Systems</p> <p>Lesson: 3-10</p> <p>Assignment: 3-10 (1-29 odd)</p>	Academic Standards: G.CO.12, G.MG.3
Thursday	Notes:	<p>Objective: Students will use perpendicular lines to determine the distances of objects.</p> <p>Lesson Overview: Using perpendicular lines, slopes of perpendicular lines, solving systems</p> <p>Bell work: Slope, Point-slope, solving Systems</p> <p>Lesson: 3-10</p> <p>Assignment: 3-10 (1-29 odd)</p>	Academic Standards: G.CO.12, G.MG.3
Friday	Notes:	<p>Objective: Test</p> <p>Lesson Overview: Bellwork: Review notes Homework: None</p>	Academic Standards:
