		Name: Grace & Tucker	Grading Quarter: 2nd	Week Beginning: 12/16/24 - 12/20/24
		School Year: 2024 - 2025	Subject: 4th Grade Math Week 20	

	Notes:	**Objective:** I can apply the area and perimeter formulas for rectangles in real world and mathematical problems using a multiplication equation with an unknown factor. **Lesson Overview:** 1. Area and Perimeter Exam online	Academic Stds: 4.MD.A.3
Mon			

Tues	Notes:	**Objective:** I can apply the area and perimeter formulas for rectangles in real world and mathematical problems using a multiplication equation with an unknown factor.
		
		Lesson Overview:
		   1. Timed Math Facts multiplication 0-12 test – 5 mins
		   2. Addition and Subtraction Fluency Quiz 3
			Academic Stds:
			4.MD.A.3

Weds	Notes: Last day of school for the semester	**Objective:** I can apply the area and perimeter formulas for rectangles in real world and mathematical problems using a multiplication equation with an unknown factor. **Lesson Overview:** 1. Christmas end of semester activities	Academic Stds:
Thur	Notes:	**Objective:** **Lesson Overview:** No school – winter break	Academic Stds:
Fri	Notes:	**Objective:** **Lesson Overview:** No school – winter break	Academic Stds:
