Name: Grace & Tucker	Grading Quarter: 3	Week Beginning: 3/3/25 – 3/7/25
School Year: 2024 - 2025	Subject: 4th Grade Math Week 29	

Mon	Notes:	**Objective:** TSW multiply mixed numbers by whole numbers by using strategies, such as equivalent fractions and decomposing the nixed number into whole number and fractional parts **Lesson Overview:** 1. L11.4 Multiply a Mixed Number by a Whole Number – notes - Day 1 2. TSW complete guided practice questions	Academic Stds: 4.NFB.3, 4NFB.3C, 4NFB3D
Tues	Notes:	**Objective:** TSW multiply mixed numbers by whole numbers by using strategies, such as equivalent fractions and decomposing the nixed number into whole number and fractional parts **Lesson Overview:** 1. L11.4 Multiply a Mixed Number by a Whole Number – notes - Day 2 2. TSW complete "On My Own"	Academic Stds: 4.NFB.3, 4NFB.3C, 4NFB3D
Weds	Notes:	**Objective:** TSW multiply mixed numbers by whole numbers using various strategies to solve real world word problems **Lesson Overview:** 1. L11.5 Multiply Mixed Numbers in real-world story problems 2. TSW complete guided practice questions	Academic Stds: 4.NFB.3, 4NFB.3C, 4NFB3D
Thur	Notes:	**Objective: :** TSW multiply mixed numbers by whole numbers by using strategies, such as equivalent fractions and decomposing the mixed number into whole number and fractional parts **Lesson Overview:** 1. Unit 11 Review	Academic Stds: 4.NFB.3, 4NFB.3C, 4NFB3D
Fri	Notes:	**Objective:** TSW multiply mixed numbers by whole numbers by using strategies, such as equivalent fractions and decomposing the mixed number into whole number and fractional parts **Lesson Overview:** 1. Unit 11 Assessment	Academic Stds: 4.NFB.3, 4NFB.3C, 4NFB3D
