

Name: Reinhold, Riches, Cotellesse, Polkabila		Grading Quarter: 4	Week Beginning: March 17
School Year: 24/25		Subject: Math	
Monday	Notes: No School	Objective: Lesson Overview:	Academic Standards:
	Notes:	Objective: 9.7 Explain Addition Strategies to add 3-digit numbers Lesson Overview: Students use different strategies for adding 3-digit numbers and explain why they chose to strategy they used. <u>Math terms</u> hundreds, addend, regroup, decompose, partial sums, decompose, adjust friendly numbers, adjust, decompose <u>Academic Terms</u> pattern, solve, strategies, useful, check, efficient, related, determine, represent, wonder, decide, useful	Academic Standards: NBT.B.7
	Notes:	Objective: Math Probe Addition Word Problems Unit 9 Review Lesson Overview: solve 3-digit addition word problem involving two addends, and compare the solution to a given number Students can complete unit review to prepare for the Unit 9 assessment. <u>Math terms</u> hundreds, addend, regroup, decompose, partial sums, decompose, adjust friendly numbers, adjust, decompose <u>Academic Terms</u> pattern, solve, strategies, useful, check, efficient, related, determine, represent, wonder, decide, useful	Academic Standards: NBT.B.7
Tuesday	Notes:	Objective: Math Probe Addition Word Problems Unit 9 Review Lesson Overview: solve 3-digit addition word problem involving two addends, and compare the solution to a given number Students can complete unit review to prepare for the Unit 9 assessment. <u>Math terms</u> hundreds, addend, regroup, decompose, partial sums, decompose, adjust friendly numbers, adjust, decompose <u>Academic Terms</u> pattern, solve, strategies, useful, check, efficient, related, determine, represent, wonder, decide, useful	Academic Standards: NBT.B.7
	Notes:	Objective: Math Probe Addition Word Problems Unit 9 Review Lesson Overview: solve 3-digit addition word problem involving two addends, and compare the solution to a given number Students can complete unit review to prepare for the Unit 9 assessment. <u>Math terms</u> hundreds, addend, regroup, decompose, partial sums, decompose, adjust friendly numbers, adjust, decompose <u>Academic Terms</u> pattern, solve, strategies, useful, check, efficient, related, determine, represent, wonder, decide, useful	Academic Standards: NBT.B.7
	Notes:	Objective: Math Probe Addition Word Problems Unit 9 Review Lesson Overview: solve 3-digit addition word problem involving two addends, and compare the solution to a given number Students can complete unit review to prepare for the Unit 9 assessment. <u>Math terms</u> hundreds, addend, regroup, decompose, partial sums, decompose, adjust friendly numbers, adjust, decompose <u>Academic Terms</u> pattern, solve, strategies, useful, check, efficient, related, determine, represent, wonder, decide, useful	Academic Standards: NBT.B.7
Wednesday	Notes:	Objective: Math Probe Addition Word Problems Unit 9 Review Lesson Overview: solve 3-digit addition word problem involving two addends, and compare the solution to a given number Students can complete unit review to prepare for the Unit 9 assessment. <u>Math terms</u> hundreds, addend, regroup, decompose, partial sums, decompose, adjust friendly numbers, adjust, decompose <u>Academic Terms</u> pattern, solve, strategies, useful, check, efficient, related, determine, represent, wonder, decide, useful	Academic Standards: NBT.B.7
	Notes:	Objective: Math Probe Addition Word Problems Unit 9 Review Lesson Overview: solve 3-digit addition word problem involving two addends, and compare the solution to a given number Students can complete unit review to prepare for the Unit 9 assessment. <u>Math terms</u> hundreds, addend, regroup, decompose, partial sums, decompose, adjust friendly numbers, adjust, decompose <u>Academic Terms</u> pattern, solve, strategies, useful, check, efficient, related, determine, represent, wonder, decide, useful	Academic Standards: NBT.B.7
	Notes:	Objective: Math Probe Addition Word Problems Unit 9 Review Lesson Overview: solve 3-digit addition word problem involving two addends, and compare the solution to a given number Students can complete unit review to prepare for the Unit 9 assessment. <u>Math terms</u> hundreds, addend, regroup, decompose, partial sums, decompose, adjust friendly numbers, adjust, decompose <u>Academic Terms</u> pattern, solve, strategies, useful, check, efficient, related, determine, represent, wonder, decide, useful	Academic Standards: NBT.B.7

Thursday	Notes:	<p>Objective: Unit 9 Assessment</p> <p>Lesson Overview: Student will complete unit 9 assessment - adding 3-digit numbers with/without regrouping.</p> <p><u>Math terms</u> hundreds, addend, regroup, decompose, partial sums, decompose, adjust friendly numbers, adjust, decompose</p> <p><u>Academic Terms</u> pattern, solve, strategies, useful, check, efficient, related, determine, represent, wonder, decide, useful</p>	<p>Academic Standards:</p> <p>NBT.B.7</p>
Friday	Notes:	<p>Objective: See Monday-Thursday</p> <p>Lesson Overview:</p>	<p>Academic Standards:</p> <p>NBT.B.7</p>
