Name: Mrs. Cherry	Grading Quarter: P6	Week Beginning: 3/18/2025
School Year: 2024-2025	Subject: Digital Photography I	

	Notes:	Objective: NO SCHOOL PROFESSIONAL DEVELOPMENT Lesson Overview:	Academic Standards:
Monday			
Tuesday	Notes:	Objective: Students will be able to analyze the relationship between aperture, depth of field, and exposure by experimenting with different f-stop settings and focal lengths on the camera. They will then evaluate their images to determine how aperture impacts sharpness and background blur and they will then create a photo series that intentionally uses aperture to enhance artistic effects. Lesson Overview: Aperture and Focal Length Spring Blooms	Academic Standards: Standard 1, 2, 3, 4, 6
Wednesday	Notes:	Objective: SWBAT analyze the relationship between aperture, depth of field, and exposure by experimenting with different f-stop settings and focal lengths on the camera. They will then evaluate their images to determine how aperture impacts sharpness and background blur and they will then create a photo series that intentionally uses aperture to enhance artistic effects. Lesson Overview: Aperture and Focal Length Spring Blooms	Academic Standards: Standard 1, 2, 3, 4, 6
Thursday	Notes:	Objective: SWBAT analyze the principles of effective logo design and apply design techniques in Adobe PS to create a unique logo. They will evaluate their design choices based on industry standards and revise their logos based on peer and instructor feedback. They will create a polished, professional-looking log that represents a brand or personal identity. Lesson Overview: Adobe PS Logo Design	Academic Standards: Standard 1,2,3, 4, 6

Friday	Notes:	Objective: SWBAT analyze the principles of effective logo design and apply design techniques in Adobe PS to create a unique logo. They will evaluate their design choices based on industry standards and revise their logos based on peer and instructor feedback. They will create a polished, professional-looking log that represents a brand or personal identity. Lesson Overview: Adobe PS Logo Design	Academic Standards: Standard 1,2,3, 4, 6
