

Name: Federico		Quarter: 3rd	Week Beginning: Week 21 Jan 6-10	
School Year: 2024-2025		Subject: Math		
Monday	Notes:	Professional Development Day		Academic Standards:
Tuesday	Notes:	Objective: Students will identify and generate equivalent algebraic expressions.  Lesson Overview: Students will explore using mathematical properties to identify equivalent expressions.  Module 5 Lesson 7		Academic Standards: 6.EE.A.2 6.EE.A.3 6.NS.B.4
Wednesday	Notes:	Objective: Students will identify and generate equivalent algebraic expressions.  Lesson Overview: Students will explore using mathematical properties to identify equivalent expressions.  Module 5 Lesson 7 and Start Review of Module 5		Academic Standards: 6.EE.A.2 6.EE.A.3 6.NS.B.4
Thursday	Notes:	Review Module 5  Students will be able to evaluate and generate algebraic expressions.		Academic Standards: 6.EE.A.2 6.EE.A.3 6.NS.B.4
Friday	Notes:	Module 5 Test  Students will be able to evaluate and generate algebraic expressions.		Academic Standards: 6.EE.A.2 6.EE.A.3 6.NS.B.4
